Example of how a certified identity document looks like

A certified document of identity should include following components:

- A clear copy of the document that identifies you (i.e driver license (front & back) or passport)
- 2. Authorised person's stamp (if applicable)

Write or stamp "Having seen the original from which this copy 3. was made, I hereby certify this to be a true copy of the original and that the photograph bears a true likeness to the individual"

- 4. Signature of authorised person
- 5. Full name, qualification, registration number, phone number and address of the authorised person
- 6. Date of authorisation (within 3 months of receipt)
